▲ Australia Post will assess charges according to their actual weight or cubic weight equivalent, whichever is greater. The cubic weight is the parcel's volume in cubic metres multiplied by 250. Australia Post reserves the right to apply cubic charges to all parcels, and this will be more likely in instances where a parcel is large in size or irregular or cylindrical in shape. Cubing is not applicable on eligible Australia Post packaging products. \* To minimise the risk of COVID-19 transmission, Australia Post is not currently seeking a physical signature from addressees on delivery. Instead, our representative will ask for and record the customer's name and acknowledge delivery in our system (the customer will still need to be present for this to occur). In the event an electronic signature is unavailable, contact 13 POST (13 7678) for assistance.
